

# BLUEJEANS

BETTER MEETINGS FOR BETTER OUTCOMES

## Welcome to BlueJeans

Online meetings, large-scale interactive events, and video-enabled conference rooms made simple

- BlueJeans Meetings: Collaborate face-to-face from anywhere on any device with online meetings up to 100 participants.
- BlueJeans Events: Host and manage live interactive all-hands, webinars and large-scale events around the world for up to 15,000 attendees.
- BlueJeans Rooms: Make any room a video conference room that interoperates with existing systems or new hardware.

Our mission is to make BlueJeans the world's most loved video platform. From user interfaces to IT management tools, BlueJeans makes video simple, immersive and secure.

### INTEROPERABILITY

Whether you join a video meeting through your favorite messaging application or from a desktop, mobile device, or room system, BlueJeans securely connects people from any device, anywhere.

### SUPERIOR IT MANAGEMENT AND ANALYTICS TOOLS

Monitor live meetings; create detailed analytic reports, and carefully measure usage, total cost savings, and other business metrics using BlueJeans Command Center.

### MEETING EXPERIENCES PEOPLE LOVE

With touch-to-join simplicity, HD video and crystal-clear audio, people love jumping into BlueJeans. We've made it remarkably easy for users to manage and participate as if they were in the same room.
