

INTERCALL RESERVATIONLESS-PLUS

HOST MEETINGS ANYTIME, ANYWHERE

Whether you need to host recurring meetings or organize a last minute meeting, Reservationless-Plus® conferencing efficiently allows you to bring people together to help you meet your business objectives and succeed.

NO RESERVATIONS NEEDED

Reservationless-Plus is a reliable solution that does not require reservations or operators. You have the ability to control your conference commands with a touch of a button from your telephone keypad. You receive customizable features and you can select from a variety of languages specific to your region for your system prompts. In addition, use InterCall Online to manage your account and conference calls online.

WHAT YOU CAN EXPECT

With Reservationless-Plus conferencing you will receive a simple and convenient solution to create better connections.

- **Consistency:** Receive permanent dial-in information for all of your calls.
- **Convenience:** No reservations, operators or time limits.
- **Ease-of-Use:** Control your conference commands from your telephone keypad.
- **Customization:** Tailor all of your calls or just one call to your needs.
- **Quality:** Use West's high-quality, on-demand audio services to communicate and interact with people all across the globe in real time.
- **Support:** Rely on West's systems and our 24/7 global support to keep your meeting participants connected regardless of their location.
- **Online Account Management:** Go to www.intercallonline.com to manage your account and calls.
