

INTERCALL UNIFIED MEETING 5

COMPLETE MEETING MANAGEMENT

InterCall® Unified Meeting® 5, enhances the way you communicate by making meetings convenient and easy to manage.

It improves your meeting experience with intuitive and powerful productivity enhancements in a hosted service that is integrated with the tools you already use every day.

COMPLETE MEETING MANAGEMENT

Available for download or to run in your browser, Unified Meeting 5 turns your meeting into an integrated experience that adds impact to your message, increases meeting participation and gives you control with a click of your mouse.

SCHEDULING

Stay organized with Outlook, Mac, Google and IBM Notes calendar integration and schedule meetings with ease. No need to manually add connection information.

START AND JOIN

Use our state-of-the-art hybrid audio capabilities and connect easily to your meetings with Call Me, dial-in or computer audio.

COMPUTER AUDIO (VOIP)

Connect with Voice over IP with tunneled connections when behind a firewall; and facilitate meetings from more locations and more devices.

MEETING CONTROL

Ensure your meetings are on track by muting participant lines to reduce unwanted background noise; know who is speaking during your meeting with Active Talker and increase security by locking your meeting room.

DESKTOP VIDEO

Add an additional layer of personalization and feel like you're in the same room with high quality multipoint video.

Available for   Windows

SHARING

Share files, applications or your entire desktop to add impact to your meeting.

SUB-CONFERENCING/BREAKOUT ROOMS

Create spaces for private conversations, small work groups or sidebar discussions—no extra set up required!

CHAT

Add a level of communicating between you, participants and their peers with the in-meeting chat feature.

SOCIAL MEDIA

Get to know your participants by having them integrate their Facebook or LinkedIn information to their personal presence and avatars.

BRANDING

Customize the look and feel of Unified Meeting 5 by using your organization's logo and colors to further drive home your message and maintain your brand strategy.

(Additional charges apply, contact you sales representative for more information.
